Summary

Full-time College student seeks a part-time position with a flexible schedule.

I am a well rounded person who learns new skills quickly with efficiency. Team player, self directed, fast paced environment, patient, respectful, creative, and able to communicate. I'm able to resolve issues promptly and attentively. Recognised by my former employer as Selflessness and Reflective on my work.

Work Experience

T-Shirt Designer JCoon T-Shirts - Lexington, MO June 2024 - November of 2024

- I was the product design and development team for the creation of the t-shirts and plastic gem patterns. I was in charge of inventory management for the compilation of orders given to me by the CEO for the customers.

Prepcook and Cashier Kentucky Fried Chocken – Sumner, WA October 2023 – June 2024

- I was the only permanent prep-cook on staff. My job was to ensure the restaurnt was fully stock of ingredients that were needed for the day. I also did the dishes when I had time after the prep work was completed. After about 3 months my manager allowed me to train as a chaiser and once my training was completed I would switch from cashier and prep cook everyother day I worked.
